Gentlemen:

The purpose of this letter is to inform you that we have allowed the use of BLASTOX® as an additive to our abrasive materials that meets the requirements of Military Specification MIL-A-22262 "Abrasive Blasting Ship Hull Blast Cleaning".

For BLASTOX® to be used as an additive, the product must also be listed as a 15% mixture with the qualifying Military Specification MIL-A-22262 product on the California Environmental Protection Agency, Air Resources Board, Title 17, Certified list of Abrasives.

The Kleen Blast Division of Leisure Investment Company, is the only abrasive supplier that have both met the Military Specification MIL-A-22262 and is listed on the California Environmental Protection Agency, Air Resources Board, Title 17, Certified list of Abrasives as a 15% blended product with BLASTOX®.

Sincerely,

A handwritten signature in cursive script that reads "A R Parks".
